#### Conditions

---

Skin infection, herpes, shingles, nervous and physical fatigue, rheumatism, muscle and joint pain, nervous tension.

#### Salon Use

---

##### Refer to Spa Pampering Treatments

The appropriate essential oil can be applied to the soles of the feet, taking great care to use no more than 1 drop for each foot.

This can be followed by the application of Gernétic Beauty Oil or Gernétic Massage Cream.

It can be used in conjunction with any Body Treatment: two drops of Ravensara Essential Oil can be added to a body mask.
