

Vegetal Mask

Soothing Nutritive

Professional Masks

Vegetal Mask is a nutritive and soothing supple mask of vegetal matter, specifically designed to infuse the active ingredients of the Gernétic products.

About

Key Ingredients

Mix of wheat bran and flour, kaolin, lime, lavender containing vitamins B1, B2, B6, E, PP and sulphur, magnesium, manganese, iron, copper and phosphorus mineral salts.

Very nutritive, purifying, astringent, anti-oxidant, decongestant and remineralizing.

Actions

Vegetal Mask is very nutritive and calming. It is extremely beneficial for any skin type. The composition of Vegetal Mask has been studied to compliment all Gernétic creams.

Size: Salon 350g bag

Use

Skin Conditions

Vegetal Mask is very beneficial for all skin types and all ages.

Salon Use Only

Step #7 of Skin Care Treatment

There is not any contra-indication to the use of the Vegetal Face Mask.

Apply over the specific creams.

Mix 1/2 bag (1.5 cup) with 150mL of very hot water to obtain a dough heavy.

Spread half on a large piece of gauze.

Fold the gauze over to make a poultice and apply on the upper part of the face.

Proceed similarly for the lower part of the face from nose down to the neck.

Cover with polyester foil.

Leave for 20 minutes.

Lift the gauze to remove the mask and clean off any residue with Fibro Lotion.

Apply a nutritive and a protective cream to finish.

1 bag is enough for 2 face treatments

See Vegetal Mask, section 4, page 4.
