

L'Exquis

Eau de Parfum

L'Exquis was born from a strong desire to bring the essence of GERnétic products to life beyond skin care. This fresh fragrance is composed of citrus, floral and aquatic notes.

Discover the olfactory universe of GERnétic through L'Exquis.

Size: Retail 50 mL/15 mL

About

Key Ingredients

Top Note: Lime

Heart Note: Lavender, *marine notes*, lotus

Marine notes can be partially obtained from lotus, blue cypress, sea fennel or from watery fruits such as melon and watermelon. To recreate marine notes in an identical way, perfumers synthesise a scent from several sources. Fresh and iodized marine notes make L'Exquis so distinctive.

Base Note: Cedarwood, white musk

Actions

The first zesty notes of lime reveal a luminous acidic radiance.

Then the heart leads us to a vibrant freshness revealed by the marine notes. Lavender, known for its aromatic scent, is softened by the aquatic florality of lotus.

This floral heart finally warms up on the skin with the elegant cedar wood and the sensual white musk.

Use

End your beauty ritual by spritzing over the body. This is a luxurious sensory experience for those who want to discover the olfactory universe of GERnétic.

Ideal for your clients who love the GERnétic scent and for new clients who wish to discover the olfactory universe of GERnétic through L'Exquis.

Salon Use

At the end of the treatment, don't hesitate to spray L'Exquis on the client to finish the GERnétic experience in fragrance.
