Smart Foundation

30ml

A hybrid, cream foundation and skin treatment in one, providing a lightweight texture for a natural appearance.

Powered by cutting edge high-tech actives and a cleaner, greener innovation.

Nimue Smart Foundation delivers a dewy, youthful glow while actively repairing the skin at a cellular level, contributing to skin longevity.

Active ingredients

primary ingredients

- HMW Hyaluronic Acid (hydrates and reduces TEWL)
- Porcelain Flower Extract (soothing, calming and brightening)
- Centella Asiatica Oil (barrier protection and intense hydration)
- Centella Asiatica Stem Cells with exosomes (improves skin firmness and elasticity)
- Vegan Collagen Amino Acids - Yeast Extract (improves skin hydration and elasticity)

secondary ingredients

- Jojoba Esters (improves skin barrier function)
- Tripelargonin (plant derived emollient)
- Iron Oxide Micro-Powders (provides even, natural-looking coverage)

Product benefits

- Provides immediate skin coverage with long-term regenerative benefits
- Enhances skin firmness and radiance
- Boosts collagen synthesis, elasticity and cellular regeneration
- Provides skin barrier protection
- Promotes skin hydration
- Soothes and calms the skin
- Evens out skin tone and conceals imperfections
- Delivers a dewy, fresh and youthful glow
- Suitable finish for all day wear

Application technique

- Use as required
- Apply to a clean, dry skin after Nimue Cleansing Gel, Conditioner, Moisturiser and SPF
- For optimum results, apply foundation with a brush or sponge from the centre of the face outward, and blending thoroughly for a natural finish and even skin tone
