

AGE INTELLIGENT

Retail Range

AI Face Serum

30ml

pH 5.5

A concentrated, lightweight face serum assisting in restructuring the skin and incorporates a complex of active ingredients based on the OMICS study as well as superior anti-ageing actives which are delivered into the skin through a unique hybrid delivery system.

Active ingredients

OMICS based actives

- Chicory Root Extract (repair and moisturisation)
- Hydrolised Myrtle Leaf Extract (cellular longevity and restructuring)
- Calendula Flower Extract (increased skin elasticity and tone)

Anti-ageing actives

- Colloidal Platinum and Acetyl Tetra-peptide-17 (anti-wrinkle and anti-ageing)
- Albizia Julibrissan Extract (reduces the visible signs of fatigue and ageing)
- Acetylated Glucuronic Acid (smoothes wrinkles and moisturises)

Hybrid Delivery System

- Polarised Water (even distribution and penetration of actives)
- Liposomal Vesicles (deeper penetration of actives)

Product benefits

- Increases skin elasticity
- Improves skin hydration
- Decreases wrinkle depth
- Assists in restructuring the skin layers
- Provides a cushioning sensation on the skin

Application technique

am and pm

- Apply a thin layer to a clean, dry skin after Nimue Pre & Post Serum and massage into the face and neck until fully absorbed
- Allow to dry
- Follow with Nimue AI Day Cream or Nimue AI Night Cream
