

## Hyaluronic Oil

15ml

A new generation and first to market oil soluble Hyaluronic Acid, infused in a blend of oils for both intense hydration and moisture. This dual offering provides water and oil replacement in the skin simultaneously. Ideal for dry and cold climates, for softer, smoother and more elastic skin, resulting in ultimate skin comfort.

### Active ingredients

#### primary ingredients

- Sodium Hyaluronate (oil soluble Hyaluronic Acid for intense hydration and prevention of TEWL)

#### secondary ingredients

- Dimethyl Isosorbate (penetration enhancer optimises penetration through stratum corneum)

### Product benefits

- Added moisture into the skin boosts skin firmness and reduces formation of lines and wrinkles
- Exceptional instant and long-lasting hydration capacity
- Holds moisture in the dermis
- Prevents TEWL
- Provides skin comfort, especially during seasonal changes and cold, dry climates

### Application technique

#### am and/or pm

- Use after Nimue Moisturiser
- Massage a thin layer into the face, neck and décolleté
- Follow with Nimue SPF (am)
- May be used daily as required or for periodic use, depending on the skin requirements
- Recommended during the Transitional Period
