

# BOOSTERS

## Retinal Power+ Serum

30ml

pH5.0

A concentrated treatment serum with a luxurious gel-cream texture, characterised by a cool, soft and silky sensorial skin aspect. It is based on a smart combination of two of the latest and most advanced encapsulated Vitamin A retinoids to achieve skin rejuvenation in ageing and environmentally damaged skin. The Retinal Power+ Serum provides multi-action efficacy without irritation to reduce the effects of environmental damage.

### Active ingredients

#### primary ingredients

- Retinal (encapsulated in a vegan deep delivery system) (protection against premature ageing)
- Oleyl Adapalenate - a precursor of Adapalene

#### secondary ingredients

- Neurotransmission Inhibitor (Zanthoxylum Bungeanum Extract) (soothing and calming)
- Squalane (superior moisturisation and barrier protection)
- Niacinamide (Vitamin B<sub>3</sub>) (rebalances skin tone and reduces discolouration)

### Product benefits

- Accelerates cell renewal
- Increases collagen and elastin production
- Reduces fine lines and wrinkles
- Increases skin hydration
- Plumping effect
- Improves skin texture
- Fades and assists in the breakdown of hyperpigmentation
- Reduces pore size, breakouts and blemishes
- Acts as an anti-oxidant
- Provides a youthful glow

### Application technique

#### pm only

- Apply to a clean, dry skin after Nimue Cleanser and Conditioner
- Massage into the face, neck and décolleté
- May be used carefully around the eye area, avoiding the eyelids and direct eye contact
- Follow with Nimue Night moisturiser
- Use a Nimue prescribed SPF product in the morning
- Used primarily for Environmentally Damaged skin
- May be used from age 20 onwards
- For first time use of a skincare product containing Retinal (Vitamin A), limit use to 3x per week. Gradually increase frequency of use if no irritation occurs until daily application is reached (*After 2 weeks, or earlier, if there is no sensitivity*)
- **Not recommended for use during pregnancy/breastfeeding**
