

education tip jar

The Benefits

59% decrease in wrinkle depth after 14 days.

The advanced formulations improve the effects of ageing, reducing fine lines, wrinkles and skin fatigue. Nimue's unique hybrid delivery system allows for penetration within the deeper layers of the skin to improve wrinkle depth and skin firmness.

Selling Tip

- Ideal for clients 45+ with mature ageing skin
- A nourishing night cream with a anti-ageing focus
- For any client with sagging skin who needs firming and tightening
