4 ways to level up

Your Vital Benefit level is based on how much you spend with Vital Plus annually. The fastest way to level-up is to buy more products. Luckily we make it easy by curating the best holistic skin care brands in Australia.

Our brands empower the skin's natural potential for health and vitality. Each product in every range is innovative and results-driven. They each fundamentally cultivate long-term skin health. Consider adding a wonderful new range to your salon today.

GERnétic

- A unique range that feeds skin cells a nutritional diet to optimise cellular growth and skin barrier health.
- Based on corneotherapy concepts, this European range has a medical background and is used today in French hospitals to treat skin burns, boost skin immunity and bring strength and health back to the skin.
- GERnétic utilises an advanced probiotic fermentation process to obtain potent, active ingredients, ensuring a healthy microbiome.
- Uses the concept of naturopathic ingredient dosing to treat skin health holistically.
- GERnétic is a comprehensive skin care range and effectively treats all skin conditions with various in-salon and retail products and masks.

JooMo

- JooMo produces 100% natural and vegan skin care containing only active ingredients that also function as natural preservatives. Absolutely zero fillers.
- A versatile range of microbiome face and body products that cleanse the skin and heal inflammatory skin conditions, including eczema, perioral dermatitis, skin burns and all grades of acne.
- Suitable for everyone, including young children, teenagers and men. JooMo is simple to use, has an accessible retail price-point and easily promotes a balanced microbiome and radiantly healthy skin.
- JooMo can be used in-salon as a powerful mask or a pretreatment microbiome cleanse, as well as at home.
- Rich in natural prebiotic ingredients, JooMo increases the diversity of the microbiome, ensuring skin health.

Nimue

- This cosmeceutical range was developed by plastic surgeons for pre and post-operative care. Nimue actively supports dermal clinicians and aesthetic devices in clinics and with aftercare.
- A range developed with the philosophy of maximum stimulation and minimum irritation. Nimue uses high-strength active ingredients formulated to support skin health to deliver visible results for all skin conditions.
- This range is at the forefront of microbiome technology, supporting a robust skin barrier and healthy microbiome.
- Nimue offers a phasing system for clinics and home care. Its active products and salon peels are absolutely irritation-free, with zero negative feedback no matter your treatment.
- Offers 11 customised delivery systems ensuring that the active ingredients reach the target cells, certifying results.

Sequential Skin

- Radically innovative, Sequential Skin Biome Mask™ is the world's first sheet mask to contain both prebiotics and postbiotics to balance the skin microbiome and improve the health of the skin.
- With five targeted formulas to address all skin concerns, these powerful masks strengthen the microbiome with the benefit of tailored support ingredients, including Vitamin A, Vitamin C, colloidal oatmeal, and niacinamide.
- Saturated with 25ml of nutrient-rich serum, the eco-friendly semi-gel Tencel™ material feels soft and pleasant to the skin and locks in active ingredients for moisture retention.
- Ideal for care following needling, laser, dermaplaning, and dermabrasion, plus it is compatible with LED.
- The Biome Mask™ enhances any professional skin care range in-clinic or at home, and lucratively it offers 100 % markup! 🍀
